

Litter Louts

You notice your neighbour spending all day Sunday tidying up their garden. When they've finished it looks lovely. The next day you see some older children from your school throwing their rubbish into your neighbour's garden. What do you do? Why?

Bicycle Bump

Your brother gets a new bike for his birthday and you're a bit jealous. One day he's late home from school so you take the bike for a quick ride but the tyre gets a puncture. Your brother needs the bike first thing the next morning. Do you tell him about the puncture and how it happened?
